Frequently Asked Questions

How do you use the discounts?

Many of the restaurants and businesses on our program will simply allow you to show your card to redeem their discount offer.

Others (such as Domino's Pizza) will provide a link to redeem the offer through their online ordering page.

For tracking purposes, some merchants will require a printed coupon. These merchants say: **"Coupon Required"** so you can print out the coupon before going to their store.

Most of our retailers will allow you to print and use their coupon as many times as you would like throughout the year.

What could we expect to make with this fundraiser?

Because you earn \$15 per card, the profits really add up!

Number of Cards	Your Net Profit
250	\$3,750
500	\$7,500
1000	\$15,000

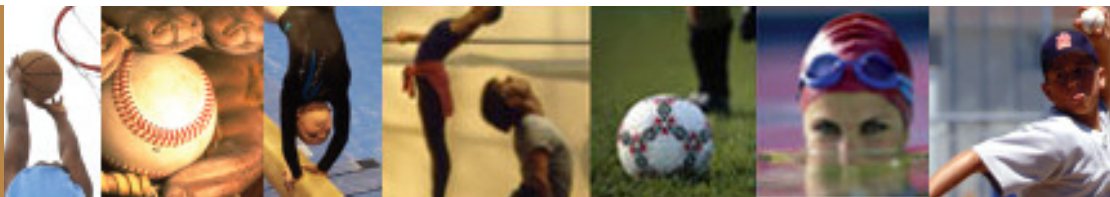

While no two fundraisers are exactly the same, most groups conservatively set to have each participant sell 10-15 cards.

What our customers are saying

The 10 boys we had do this said it was easy! They sold 20-40 cards each and were able to pay for all of their activities in one fundraiser. I sold 10 cards myself in less than 5 minutes just by talking with some people at my work. We'll definitely do this again next year!

- Douglas | Florida

I absolutely love this program; one of our kids sold 15 cards just by going to some neighbors and talking to her teachers. They were easy to sell and I have been recommending it to everyone I know who is looking to raise money for their programs.

- Brenda | Delaware

We were able to capitalize on America's current economic struggles, by presenting the cards as a way to save money in these tough times, not as a "fundraiser."

- Jeanie | Michigan

I was at work and we were going to order a pizza, I pulled out my card and after seeing the discount, I sold 4 cards on the spot!!

- Dave | New Jersey

Everyone that I sold the card to was thrilled that unlike other cards that they have purchased in the past, this card is good nationally.

- Mike | Pennsylvania

This was the most profitable and easiest fundraiser I found.

- Pam | Texas
